- (a) General patient co-payment will not be indexed and remain at \$31.60 from 1 January 2025 for the calendar year of 2025 in accordance with s99G(1A) of the *National Health Act 1953* (the Act). This amount would have increased by \$0.90 to \$32.50 from 1 January 2025 with the indexation that would have normally applied to the general patient co-payment. In accordance with sections 99GC and 99GD of the Act, the pre-existing allowable \$1.00 discount will decrease by the amount of indexation (\$0.90) that would have applied to the general co-payment of \$31.60. General patients will be eligible for a discount of up to \$0.10 off the general patient co-payment of \$31.60 in 2025.
- (b) Concessional patient co-payment will not be indexed and remain at \$7.70 from 1 January 2025 for five calendar years from 2025 to 2029 in accordance with s99G(1B) of the *National Health Act 1953* (the Act). This amount would have increased by \$0.20 to \$7.90 from 1 January 2025 with the indexation that would have normally applied to the concessional patient co-payment. In accordance with sections 99GC and 99GD of the Act, the pre-existing allowable \$1.00 discount will decrease by the amount of indexation (\$0.20) that would have applied to the concessional co-payment of \$7.70. Concessional patients will be eligible for a discount of up to \$0.80 off the concessional patient co-payment of \$7.70 in 2025.
