

PBS XML Release Notes

Effective date: 1st December 2014

Release 2

PBS XML Schema version: 2.9.1

Erratum

See *Erratum for December 2014 PBS Schedule* for details of listing changes in release 2 of the December 2014 PBS Schedule.

Known Issues

1. Start dates for PBS Items have been restored to pre-February 2013 values, with the exception of new and changed items from March 2013 onward.
Start dates later than February 2013 that do not start on the 1st of the month have been adjusted to start on the 1st of the month.
Two PBS XML documents have been made available:
`pbs-2014-12-01-v2.xml` does not have start dates altered
`sd-2014-12-01-v2.xml` has start dates restored and adjusted.
2. Some changes to Maximum Patient Charge amounts may not be the subject of a `pbs:alteration` element.
3. The issue of duplication of organisation code has been checked: there are no occurrences in this Schedule.
4. Some restrictions have altered text but have not been issued a new restriction code. These restrictions are:

4184, 4185, 4188, 4197, 4654
